WELCOME

to the second ATOMIC Vintage Festival.

Last years' amazing show was the result of our crazy dream to build a new festival with a unique 1950s flavour. The event caused a major stir around the 'vintage world' and we were thrilled that so many people recognised that we were at the start of something so fresh and exciting.

Living and loving this era is what ATOMIC is all about, and it's clear that many thousands of you share our lifestyle so, this year, we've pulled out all the stops again, added new features, and are all set for a bigger and better weekend, with more air displays, more cars and more action.

Thank you for your hundreds of messages after last year's ATOMIC Weekend - you certainly let us know that you liked a show run by passionate fans of the era. And now it's time to do it all again... It's Jet Age... It's All Action... **IT'S ATOMIC!**

Robin & Colette, Jerry Chatabox & Miss Mary Ann

THINGS TO SEE AND DO

The timetables on the following pages will help you to plan your time at **ATOMIC**, with details of show times for **bands and DJs, dance classes, drag racing, air displays, jive contest, drive-in movie, classic car rides** and the **Poodle Parade**.

Your pulse will race as you see breathtaking trick riding on the world's oldest Wall of Death - the **Demon Drome** - featuring genuine 1920s Indian motorcycles, and you can raise your adrenaline levels even more, with rides on the giant **helter-skelter** and **vintage dodgems**. We have flown top vintage-style pin-up model **Bernie Dexter** from the USA to join the **ATOMIC Bombshells**, who will be happy to pose for pictures. You'll also be able to meet Bernie and see samples of her **new ATOMIC Souvenir range** at her stall in the **vintage market marquee**, where you'll find the very best **vintage and retro clothing, accessories, shoes, homewares** and a wide selection of **records and CDs**.

In the clubhouse, you can be preened to perfection by **Lipstick & Curls Hair & Beauty Parlour, Boppo's Barber Shop** and **Minnie Moons Manicures**.

And look out for the **Travel Ink Tattoo Studio** in a beautiful, polished Airstream trailer.

The **roller rink, trampolines, crazy golf** and **vintage steam train** are all **FREE** and are open to children and adults of all ages.

And do remember to visit the award-winning, free-to-enter, **Sywell Aviation Museum** and admire the display of **military vehicles**, gathered especially for **ATOMIC** weekend.

The **vintage style instant photo booth** is another place to grab souvenir pictures. Please check out the short **ATOMIC promo movie** which will be shown on the big screen before Saturday's main feature and don't miss the '**Cavalcade of Chrome**' on Sunday evening. Finally, there's great **new ATOMIC merchandise** available from our stand and you can pre-order items from the new **Bernie Dexter ATOMIC Souvenir range**.
